# Downloading and Installing Cisco Webex Meetings

Step 1: If **Cisco Webex Meetings** app did not install on your iPad go to Self Service and tap Install.

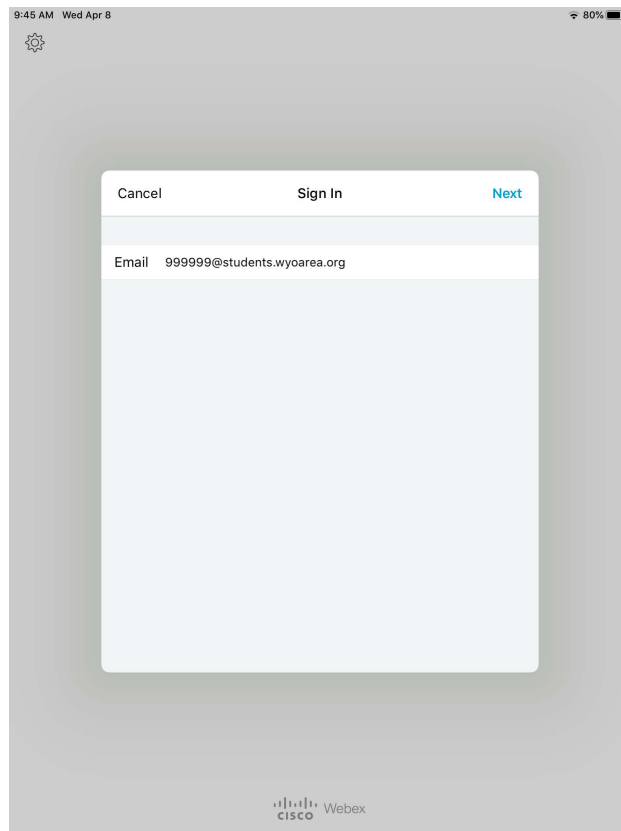

Step 2: Once the App downloads open it, and tap **I Accept**.

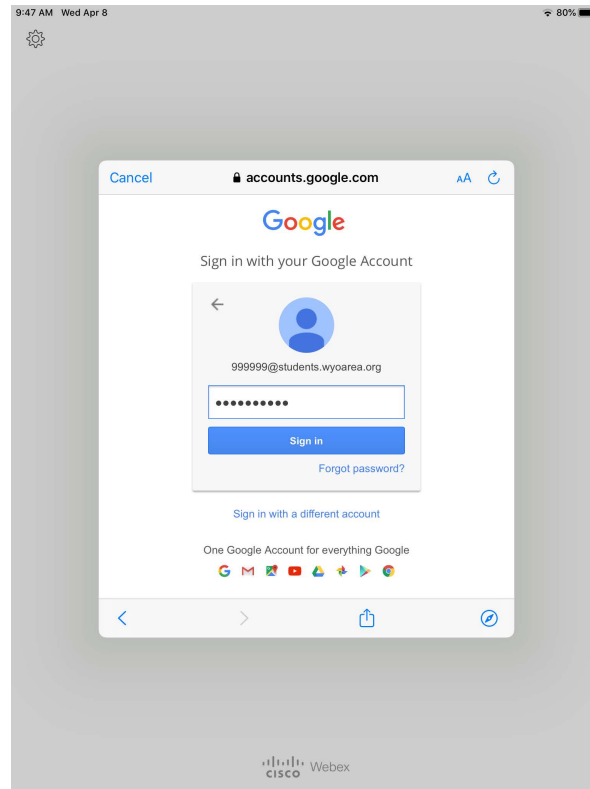

Step 3: Tap **Sign In.**

Step 4: Enter your six digit student ID followed by "@students.wyoarea.org". Example: 999999@students.wyoarea.org. Then tap **Next**.

 Step 5: We authenticate with Google so you will be redirected to a Google sign in window. Put the same "email" address in this section as well. Tap **Next**.

Step 6: Enter **whec** as your password and click **Sign in**.

This is how your home screen will appear. Swipe **RIGHT** to see your scheduled meetings.
