

Wyomissing Area School District

630 Evans Avenue, Wyomissing PA 19610

Assistant Superintendent Goals

Melissa L. Woodard, Ed. D.
2018-2019

Explore and Develop Pre-Kindergarten Opportunities

- Implement Spartan Sprouts family orientation program
- Initiate collaboration with local feeder preschools
- Explore pre-kindergarten grant opportunities and resources

Develop Initial K-12 STEAM Pathway Curriculum and Partnerships

- Research and apply for grant funding
- Assemble a K-12 Committee
- Propose the hiring of a STEAM teacher for the 2019-2020 school year
- Develop partnerships with local universities and industry
- Investigate holding a STEAM/Arts Showcase

Develop Administrative Leadership Communication and Support System

- Create a plan for collaboration and communication meetings between District Office and Building Administrators
- Create action planning tools to be used at the school level by data teams during the 2019-20 school year
- Professionally develop administrative team on change theory and dealing with resistance

Research, Plan, and Propose Robust Professional Learning System

- Research the use of Frontline MLP software to increase efficiency of documentation of professional learning opportunities, uploading Act 48 hours to state, etc.
- Explore need to develop a differentiated supervision system that includes increased variety of options for professional learning
- Explore the implementation of instructional coaches to facilitate knowledge and growth of instructional best practices
- Design district-offered professional learning opportunities for staff flex days

Develop Curriculum Documentation Using Framework Based on McTighe's Understanding by Design

- Develop elementary math curriculum (grades K-4)
- Assemble elementary ELA curriculum team for vertical articulation meeting
- Develop a warehousing system for written curriculum
